How to use this template

This template is to serve as a guide for internal use. The best way to use this template is to make a copy of it or you can import it as a theme. You can use this for team all hands, pitches and training and external talks.

If you need help submit a request to the Brand Design Team and we can help you strategize, clean up, or design specific elements.

- Copy the template
- Or import the template
- Make it your own
